Summer Camp 2012

Life is tough! The world tells us we should be one way and God tells us to be another. But we need to change our perspective to an eternal perspective. God is telling us there is

No Compromise in life! If we are Christians, God demands all that we have and promises us He will give us all we need. This summer we will be looking at those men and women of the Bible that lived a life of **No Compromise**. God was worth it to them; He is worth it for us also.
