**Mini Sportsmen's
Retreat and
Outdoor Training**

March 30-31, 2012

The Mini Sportsmen's Retreat is much like the original Sportsmen's Retreat with a few new "changes" to the weekend. We will have all shooting venues up and running for you and your friends to use through the 24 hours of this retreat. We will have the buy, sell, and trade available, too.

The new addition to the mini weekend will be training classes. Experienced sportsmen will help you "fine tune" your skills in various aspects of outdoor sports, including bow shooting, trapping, reloading, and bird dog training. Please consider this weekend if you are interested in starting something new or perfecting your skills. Be watching our website (www.hacamps.org) for an official Mini-Sportsmen's Retreat schedule. We look forward to seeing you!

Weekend Speakers

March 23-25, 2012 only

Terry Baxter, pastor, avid outdoorsman, father, and grandfather, will be our speaker. Listen as he brings stories of his latest hunts and the truth of the Word.

Matt Stutzman, the Armless Archer, was born without arms but was blessed to have been raised by two incredible (and incredibly patient) parents who taught him long ago that *impossible* is a state of mind...and not one that he should chose to embrace. It's a lesson that has served him well, and one that Matt and his wife are

trying to pass on to their two young boys on a daily basis. Matt's goal is to be the best archer in the world. For a man without arms that may seem unlikely, but, indeed, where there is a will, there is a way. One thing that Matt was definitely NOT born without was a will. Matt is a proud member of the Para United States Archery Team. The next step in his quest to be world's best is to stand on the medals podium next summer at the 2012 London Paralympic Games.

The Gould Brothers,

Steve and Aaron, reside in central Minnesota. Both Steve and Aaron are hunting and shooting enthusiasts. During the summer months they shoot thousands upon thousands of rounds practicing and performing shooting exhibitions. There are three things they are extremely passionate about: shooting/outdoors, their country, and their creator. They feel very blessed to live in this country where they can enjoy the freedom to experience the outdoors.

Directions to Hidden Acres and other information can be found on our website at www.hacamps.org
