

# Hidden Acres Summer Staff COLLEGE CREDIT

Earn 3 college credits for working at Hidden Acres this summer!

Take the course *Counseling in Active Learning Environments* while serving and learning in your role during summer camp.

## ACCESSIBLE

Any high school graduate on staff can enroll in the course. The course is available through both Anchor Christian University and Clarks Summit University. CSU is an accredited university.

## TRANSFERABLE

Students taking the course through CSU will likely be able to transfer the credits to their college. Students will want to check with an academic advisor to ensure it can be applied to their course of study.

## APPLICABLE

*Counseling in Active Learning Environments* will be applicable to every staff member, regardless of position. Key subjects include: group dynamics, relationship building, camper discipline, and Bible study.

## MANAGEABLE

Students will read one book, complete seven journal entries, and produce a final project. The book report and final project will be due during Grow Teams, to allow staff to focus on their responsibilities during summer camp.

## CUSTOMIZABLE

Students will create a custom final project that is beneficial to their current or future ministry setting. The project can be in any format that demonstrates the student's learning from the semester.

## ENJOYABLE

Grow Teams members taking the course will meet together as a group to discuss their coursework during the 3 weeks following summer camp. Students will also meet with Eric once a week throughout summer camp to discuss the course.

## AFFORDABLE

Hidden Acres is providing scholarships for every student taking the course! Grow Teams members will receive an additional scholarship and more academic help.
