Are you interested in serving in the Nurses' Station during summer camp? Hidden Acres is blessed to have nurses and other medical personnel who volunteer their time each summer to serve in our summer camp Nurses' Station.

Each week we like to have at least four nurses/medical personnel on duty. We ask our volunteers to be here around 12:30 pm on Sundays to settle in and be ready for camper check-in. Volunteers are usually finished up and ready to head home by 5:00 pm Friday. During the week you will help dispense medications, bandage knees, pull out splinters, etc. You will also be asked to be on call one or two nights during the week. Our volunteers usually stay in the Welcome Center.

If you have children attending camp this summer, we would be glad to scholarship them in exchange for your service. Also, if your spouse and other children want to accompany you, we are glad to have them. Of course, your lodging and meals are free.

We do require you to submit a copy of your current nursing license or other certification. Below are the days we may need nurses for the upcoming summer. If it helps you choose a week to volunteer, our entire summer camp schedule is posted on our website each year by November 1st. Please call me if you have questions or would like to volunteer.

We also look for nurses and medical personnel to volunteer on the weekends during our summer camps, as we have T3 and AW campers on the grounds. You must be qualified to dispense meds from Friday evening until Sunday afternoon. You do not need to be in the Medical Station all the time, mainly just during normal med pass times (8:00am, 12:00pm, 5:00pm, 9:00pm). We also ask that you leave your cell phone number posted so you can be reached in case of an emergency.

As with our weekly nurses, your family is welcome to join you. On some weekends, meals would be provided if we are cooking for retreat guests. However, most weekends you will need to provide your own meals. This is a really great opportunity for you to come enjoy a weekend away at Hidden Acres. In addition, we would be happy to provide a scholarship for one of your children. Please call me if you have questions or would like to volunteer.
