

COLLEGE CREDIT AT HIDDEN ACRES

**Take the course
*Counseling in Active
Learning Environments*
while serving and
learning in your role
during summer camp.**

Earn 3 college credits for working at Hidden Acres this summer!

* **Accessible**

The course is available for college students and high school juniors and seniors. It's offered through both Anchor Christian University and Clarks Summit University.

* **Applicable**

Counseling in Active Learning Environments will be applicable to every staff member, regardless of position.

* **Transferable**

Students taking the course through CSU will likely be able to transfer the credits to their college.

* **Manageable**

Students will read one book, complete seven journal entries, and produce a final project.

* **Affordable**

Hidden Acres is providing scholarships for every student taking the course!
