

Dear Church Leaders & Parents

Thank you for your interest in Hidden Acres' Spring Blaze Retreat! This weekend getaway is a fun adventure for 4th-6th grade students. They will come to Hidden Acres, learn more about Jesus from an amazing speaker and worship team, eat delicious food, have way too much fun, and form new friendships with kids their age!

This info sheet is going to provide you with registration instructions, so make sure you read it carefully. In short, every leader will sign themselves up online, and every parent will sign their children up online. Detailed instructions are located on the back page.

See you soon at Hidden Acres!

Spring Blaze – Registration Instructions

Church Leaders: Learn more about Spring Blaze from our website at www.hacamps.org/spring-blaze. You'll find a brochure and a link to register online.

Church Leaders: Tell your 4th-6th grade students about Spring Blaze! Print off brochures and copies of this info sheet and pass them out at church. **IMPORTANT:** Write the name of your group here: (church name, city). This is how we'll determine housing assignments at the retreat.

Parents: Register your 4th-6th grade children (and yourselves if you're attending the retreat as leaders or helpers). You'll find a link to online registration at www.hacamps.org/spring-blaze. Church leaders should not register students; there are important liability waivers and medical information for parents to fill out about each child.

Parents: During registration, on step 3 of 6, you'll be asked your "Group Name." Please enter your group name exactly as the church staff wrote it in point #2 above. This will ensure that Hidden Acres places leaders and children in the correct room with the rest of their church.

Parents: Check out & pay, that's it! Make sure you tell the leaders at church you signed up so they can coordinate things on their end!
